You will be welcome into the setting to collect your child as well.

Drawers for Children's Work & Letters

Pre-School have ordered a set of drawers for the children work and pre-school letters to be put in. At the beginning of each session please find your child's drawer card and put it on the front of the drawer, this will be theirs for that session. Please ensure that when you come into the setting to collect your child to check their drawer for work and letters.

Water Bottles

With immediate effect, please send your child to pre-school with a full and named water bottle. Please do not fill the bottle with squash, fizzy drinks or flavoured water.

Tapestry

Login details for your child's Tapestry account will be sent out W/c: 8.11.2021.

If you would like any extra family members to be added to your child's account – Grandparents, Aunts/Uncles, please provide us their full name and email address. This is a nice idea if any Grandparents live far away.
